- 25X1A9a 3. [REDACTED] GS-07, Card Punch Supervisor, Office of Computer Services, requested that her retirement, scheduled for 30 November 1971, be deferred until 30 November 1973 for compassionate reasons. [REDACTED] stated that she and her husband mortgaged their home in 1963 for \$13,000.00, and her husband died in 1964 leaving her with two unpaid mortgages. She will not be able to receive the full benefits of her husband's Social Security until November 1973. She concluded that she cannot meet the mortgage payments unless she receives the added income from Social Security and her current income from the Agency. The DD/S&T stated that [REDACTED] has a thorough knowledge of all of the jobs processed in the OCS Key Punch Section and that she is an excellent key punch operator. DD/S&T recommends approval of this request.

- 25X1A9a [REDACTED] the member from the Directorate of Science and Technology, informed the Board that a thorough investigation of this request revealed that [REDACTED] owns two homes and that she lives in a third, where she is not required to pay any rent. The Board also noted that [REDACTED] will be eligible to receive reduced Social Security benefits starting in November 1971. After further discussion of this request the

Board concluded there was not sufficient evidence to warrant an extension based on financial hardship; however, the Board did feel that [REDACTED] would need some additional time in order to get her financial affairs in order. The Board recommended that Mrs. Finn be granted a deferment only until 30 June 1972 based on compassionate reasons.

Based on the fact that 95% of the [REDACTED] conducted by [REDACTED] and that the total time involved in these operations amounted to more than seven months, the Board concluded that [REDACTED] had performed sufficient periods of domestic service, which were qualifying under the provisions of HR [REDACTED] (11)(b)&(c), which when added to his overseas service would total more than the required 60 months of qualifying service. The Board recommended that [REDACTED] be approved for participation in CIARDS based partially on domestic qualifying service and that he be approved for voluntary retirement on 31 May 1971.
